GAMES & PRIZES

NEW

Flurry Game Shoot

The game will be held in the morning before the clays event begins for all event shooters. Participants may form squads of four and will shoot 40 targets in 60 seconds. Scoring will be based on the percentage of targets successfully hit. A buy-back option will be available for four-person squads at a cost of \$100.

Challenge Coins

Participants can purchase commemorative, uniquely numbered Challenge Coins. Each coin purchased is an entry into the Package Deal. Coins will be available for purchase in advance during registration or onsite.

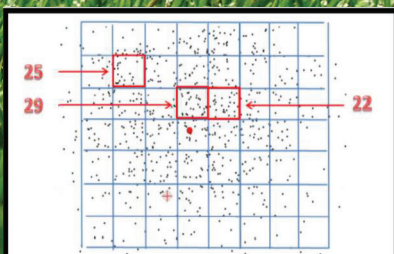

Package Deal

Spend \$40 in advance or onsite and receive:

- 1 Commemorative Challenge Coin (unique number)
- 2 Squares on the pattern board game
- 1 Entry into the gift card drawings

Pattern Board Game

Two \$250 gift cards are available to win from two boards, meaning participants have two chances to win! Sign your number in a square, then someone will shoot the board. Whoever has the most pellet holes in their selected square wins the prize.

Gift Card Drawings

15 gift cards with a \$100 value are available in the drawings. To play, the winning numbers will be drawn during the shoot and posted on the board. Check your coin to see if you're one of 15 winners!
